

Johnny Canuck-style protester at London Mosque to move information picket to London Free Press building this morning, VoC, July 12

JULY 12/11
ALT LONDON.ORG

Freepress Editor-in-Chief Joey (The Bullfrog) Ruscitti (pictured above right) has come under fire from local activists Mark Vandermaas (top center, wearing funky blue beret) and **Leila Paul** (pictured above left) for ass-kissing and showing no balls (wat dat?). Sounds like a marriage made in heaven to me. More delightful fodder for the never-ending Middle Eastern grist mill.

This story has all the necessary ingredients to jump-start a muggy July day in the boonies:

1. Mucho flag-waving in support of truth, justice and the Canadian way; 2. Accusations of fundraising to support Middle-East terrorists and 3. Private e-mails made public and a refusal by the York Street Rag Factory to publish opinion

columns that might inflame London Muslims. Poor Joey Ruscitti, caught in the middle between a rock and a hard spot. What's a Quebecor flunkie with a Leave-it-to Beaver haircut supposed to do?

O Canada, we stand on guard for thee!

TWO OBSERVATIONS: Joe Ruscitti hasn't updated his online "Editor's Blog" since November 16th, 2010, and Leila Paul doesn't allow comments on her blog. Why dat?
